Ch. 1 0 out of 8 pages

Steven was roaming around trying to find pages. He saw the house but he did not find a note on it. But then there was the truck. He turned the corner and saw the horrifying Slender Man. Tentacles came out of his back and lifted him up. Steven turned around and ran. He hid behind a tree and looked up when he felt a chill on his body. He looked down and saw some of Slender's black tentacles wrapped around him. He was lifted up and one inch away from his face was Slender. He felt a sharp pain in his stomach looked down and saw another one of Slenders had stabbed him through the stomach. Steven was never ever heard from again.
